

S. Dean Murty

Chandler, AZ | (541) 728-1691 | scandalmurty@gmail.com | www.linkedin.com/in/scandal-murty-403543225

Profile

Aspiring Data Analyst and current Data Analytics student. Proven track record of precision in aerospace manufacturing, including the development of an automated material inventory system that increased tracking accuracy. Certified in Google Data Analytics with proficiency in SQL, Tableau, and Excel. Seeking to leverage a background in operational logistics and technical problem-solving to deliver data-driven insights.
